

CHRIS WEBB

WEBB INSURANCE GROUP

Lake Forest-based insurance agent, Chris Webb prides himself on going the extra mile. As owner of Webb Insurance Group, an independent agency in downtown Lake Forest, he decided to pursue a career in insurance because it allows him to help clients protect their most important assets. “I like being able to provide people with insurance that allows them to enjoy life and not worry about ‘what if,’ should the unexpected occur. We strive for exceptional service. It is one of the things that sets us apart from our competition,” he explains. “We’ll be there when you need us!” Webb stresses that he likes to meet with his clients and ask them what things in their lives need to be protected—from family assets to their long-term goals. This helps him understand a clients’ priorities and recommend the best insurance for them. “We believe in a collaborative process. We approach every client with ‘How can we help you.’” Webb Insurance specializes in products and services that protect individuals and businesses on the North Shore. For individuals, Webb offers insurance for homes, automobiles, watercraft, life insurance, individual health insurance and long-term care. For businesses, Webb offers insurance solutions for property, general liability, cyber liability, E&O, D&O, workers compensation and group health benefits. As an independent agency, Webb is unique with access to many carriers and a wide range of customizable insurance products. We believe one size does not fit all!
